

ETHN 168/ LTEN 178  
Comparative Ethnic Literature  
*It's a Vibe: Affect, Race,  
Gender in U.S. Literature*

What happens if we take seriously **emotions as part of critical knowing**? What's the relationship between emotions and **society**? What unique challenges do **women of color and queer folks of color** raise for thinking about **affect, the body, and performance**? This course will include multi-media texts and literature with an option for a creative final.

Summer session II

**\*Fulfills writing and DEI requirements\***
